

# ORGANIZATIONALTRUSTINDEX™

The **ORGANIZATIONALTRUSTINDEX™** is a web based assessment system that provides a comprehensive and multi-dimensional snapshot of the current level of trust within your organization. This information can be used to identify the strengths and growth opportunities within your organization that can help formulate future engagement initiatives.

## ORGANIZATIONALTRUSTINDEX™

- Provides a comprehensive overview of trust within your organization
- Helps leadership create a genuine, transparent culture
- Enhances the perceptions of corporate integrity
- Trust is a leading contributor to the recruiting and retention of high potential employees
- Aligns the trust of leaders, managers and employees

The **ORGANIZATIONALTRUSTINDEX™** is the corporate analysis compiled from the results of the **TRUSTPRO™**. The **TRUSTPRO™** provides a report for each individual employee. Combining the **ORGANIZATIONALTRUSTINDEX™** with the **TRUSTPRO™** provides a powerful, complimentary approach to building a high integrity, ethical organization.

The **ORGANIZATIONALTRUSTINDEX™** assesses the trust factors within the organization, leadership groups, management teams and employee levels. Our multi-level approach combined with multi-applications and pre/post intervention assessments promotes the ongoing alignment of engagement and trust initiatives. As a result, the **ORGANIZATIONALTRUSTINDEX™** maximizes the allocation of corporate resources and the ROI associated with intervention strategies.

The **ORGANIZATIONALTRUSTINDEX™** measures and reports on:

- Perceptions of the company's ethics
- Confidence in leadership and strategic direction
- Feelings of being valued and career satisfaction
- Transparency and involvement in decision making
- Consistency of enforcement of company policies and procedures
