

SELFEMPLOYMENTSCREEN™

The **SELFEMPLOYMENTSCREEN™** is the first step in helping a candidate decide on the best type of self employment. The **SELFEMPLOYMENTSCREEN™** provides insights into the essentials of self-management and provides specific details of business development style, motivational factors, developmental needs and entrepreneurial orientation.

SELFEMPLOYMENTSCREEN™

- Highlights the ideal self employment environment
- Builds self confidence by identifying strengths and growth opportunities
- Outlines an action plan to begin the transition process to self employment
- Ranks the top 4 self employment groupings
- The report features an interactive search component of opportunities

The **SELFEMPLOYMENTSCREEN™** was developed by experts in the area of self employment and is supported by the book "Six Steps to Self Employment" and our proprietary Self Management Coaching program. A more comprehensive assessment of the key characteristics that lead to entrepreneurial success is available through the **SELFEMPLOYMENTPRO™**.

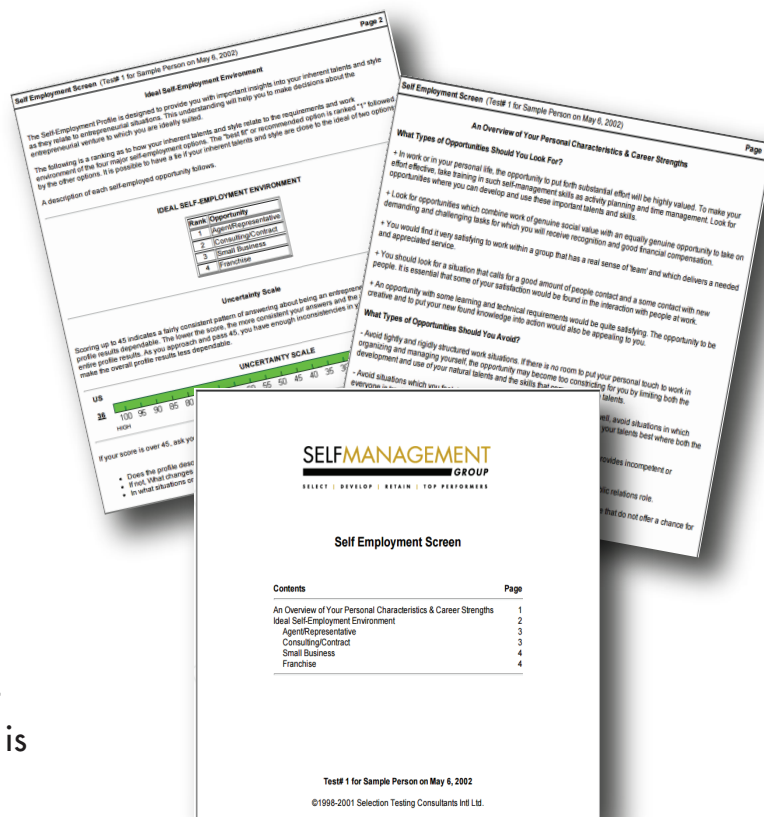

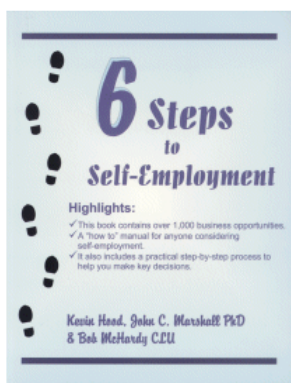

Understand Your Strengths and Abilities in Various Self Employment Roles

The **SELFEMPLOYMENTSCREEN™** has helped many individuals begin the transition into a successful, self employment opportunity. The **SELFEMPLOYMENTSCREEN™** combined with our **SELFEMPLOYMENTPRO™**, "Six Steps to Self Employment" book and our proprietary coaching/counselling program has given individuals the confidence to seek out opportunities within their risk tolerance and available financial resources.

Since 1978, SMG has provided career management services to individuals from most job families and career paths. Our approach is to build on strengths and focus individuals on what they can do rather than what they can't do. Many successful career changers have transitioned into self employment on a part-time basis until they have the cash flow and customer base to support and expand their current lifestyle.

To begin the transition complete the **SELFEMPLOYMENTSCREEN™** and order our book.
