

# SUPERVISORSCREEN™

SCREENING SUPERVISORS

The **SUPERVISORSCREEN™** is a psychometric tool that is widely used to attract and screen top performing supervisors. It is an efficient, cost-effective process to help an organization focus on candidates with the highest management potential.

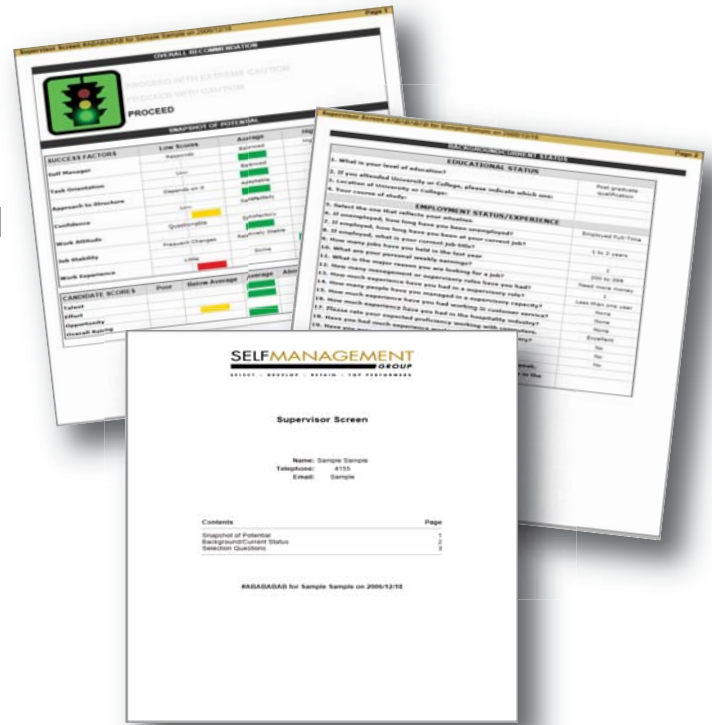

## SUPERVISORSCREEN™

- An online 24/7 screening tool to manage the flow of targeted recruits
- Assesses talent, work history and job fit
- Integrates into any Talent Management Solution or ATS
- Provides data to help predict performance and retention
- Customized to any organization
- Reduces both time and cost per hire

The **SUPERVISORSCREEN™** provides an efficient and economical solution to the challenge of targeting and screening a high number of potential recruits. It is a customized process that provides a quick snapshot of the candidate's potential for a supervisor role. The screening system can be customized and tracked to ensure the appropriate flow of quality candidates to the next step in the selection process.

The **SUPERVISORSCREEN™** is used by organizations to identify and screen for candidates who will perform and survive in a supervisory role. By assessing the inherent talent, effort history and fit to the position, the **SUPERVISORSCREEN™** is able to assist a hiring organization to rank candidates and focus the hiring resources on candidates with the highest probability for success.

By focusing on candidates with a 'success' profile and screening candidates who lack the essentials, the **SUPERVISORSCREEN™** is the first step in a recruiting process that improves the odds of hiring top performing supervisor.

## SUPERVISORSCREEN™

- Screens and eliminates candidates lacking essential supervisory characteristics
- Identifies high potential supervisors and managers
- Provides an overall rating on talent, effort history and fit to the supervisor role
- Determines suitability for specific supervisory roles
- Provides information for candidate/supervisor matching
